

Mobile Infirmery
INFIRMARY HEALTH

Thomas Hospital
INFIRMARY HEALTH

ALABAMA COLLEGE
OF OSTEOPATHIC MEDICINE

***Target Audience/Objectives:** This on-going weekly journal club will allow medical students, medical staff and other interested healthcare professionals to discuss current medical literature and controversies therein while developing critical appraisal skills, and stimulating academic debate. At the completion of each weekly activity, the participant should be able to competently discuss an evidence based medicine topic which can be applied to the patient population.*

(Note: General subject/topic areas are posted in advance. Specific article is emailed from journal club coordinators: Carrie Hyland/Mobile Infirmery and Ana Peters/Thomas Hospital; contact them for inclusion in communications.)

Identified Need: This journal club utilizes the printed word as a basic agent for distribution of knowledge, while strengthening communication among professional colleagues while enhancing knowledge. Inclusion of ACOM (Alabama College of Osteopathic Medicine) students in the planning and delivery of this CME activity, supports a bridge between the healthcare education continuum and medical practices, encouraging teamwork and a commitment to lifelong learning within healthcare professions.

Disclosures: **Course Director,** Dr. Bill Admire and **Journal Club planners**—Carrie Hyland, Ana Peters and Shauna Labo-- have no relevant financial relationships with ineligible companies to disclose. As for the Medical Education Committee, Dr. Peter Lutz discloses relations with Fuji as consultant; content of this activity is not related to business lines or products of this company. Remaining committee member planners listed below for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. **Presenters:** Students from the Alabama College of Osteopathic Medicine present articles from selected professional journal publications for discussion and critical thinking; ACOM students have no relevant financial relationships with ineligible companies to disclose.

Designation Statement: The Mobile Infirmery designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement: Mobile Infirmery is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.
